

The mission of "For the Children" Foundation is fundraising for Royal Oaks Hospital and Pathways Community Behavioral Healthcare, Inc. This fund raising assists the supported organizations to fulfill their three-fold missions. First, to PROVIDE NEEDED MENTAL HEALTH SERVICES in rural or under-served areas. Second, to DEVELOP NEW PROGRAMS that help fill gaps that exist in mental health services, and lastly, TRAINING; training parents, teachers, clergy and other human services providers in crisis management and the basics of youth mental wellness. We do all this in recognition that children are our greatest and most precious resource.
